The US shipping crisis is not going away as 33 cargo ships float off the coast of LA waiting to dock

NMS is an original and authentic game for the reasons that there isn't the same customizations that are found in every other game.

Waiting around for ships sucks. : NoMansSkyTheGame

Longer and wider, added decks of balconies, that new lifeboat configuration where the lifeboats are suspended aside the ship and have greater capacities. But will leave the rest of the community largely alone.

Supply

On Friday, 33 ships were anchored off the coast waiting for a spot to open up to unload at Los Angeles and Long Beach ports, according to from the Marine Exchange of Southern California.

The US shipping crisis is not going away as 33 cargo ships float off the coast of LA waiting to dock

. To each their own I guess, as long as they keep custom ships out of the game I'm fine with it.
