### **Next Level Urban**

We look forward to hearing from you. Weeks stretched into months, and months stretched into years.

### **Next Level Urban**

The architect turned pilot turned photographer took to the skies in a helicopter to capture a world that very few ever get to see: the rooftop

outdoor spaces that bring some urban dwellers right into suburbia. This polished space enjoys an elevator connection from the ground floor entrance, a large surface of wooden deck and a high, clear glass banister to keep wind out but let the view in — the working harbour on one side and Table Mountain with its aerial cableway top station on the other.
