Urban Dictionary: the rabbit died

Some say the rabbit will always die because they kill it before they take its blood which seems pretty dumb. As with all folklore, its truth is made evident even in its only occasional fulfillment: should the wind then appear to change direction, others will interpret the use of such an expression as evidence of its effectiveness and will then tend to adopt and repeat its use.

What Does the Bunny Say?

The New Illustrated Medical and Health Encyclopedia.

Rabbit Quotes & Sayings

If your rabbit is grinding its teeth, and need medical attention. The whimper is a protest to the environment in which they find themselves.

In old

It could indicate that the rabbit hears a strange sound and thinks a predator is en route. But it wasn't until the early 1900s that we first saw a written reference to the superstition.

Why does the Bible say that rabbits chew the cud? Is this an error in the Bible?

This delightful picture book talks about the sounds of the animals kids know and recognize all the while maintaining the mystery of what a rabbit says.
