The locomotives used on the hospital branch were industrial types with the exception of the ex- no. The train was put back into service for the illuminations at the end of 1928 but a crankshaft failed on 9 December and it was out of use until 27 March 1929. Saturday: 12:37pm was retimed to arrive at 12:59pm and there was an additional arrival at 10:52pm.
