### **Cooperative Research and Development Agreements (CRADA)**

Reasonable confidentiality requirements and brief delays in disseminating research results are permitted under a CRADA, as necessary, to protect proprietary materials and intellectual property rights. Any regulations must recognize that a purpose of section 12 of Stevenson-Wydler is to allow prompt consideration and disposition of proposed CRADAs. The information provided will be in accordance with the guidelines and policies of the responsible Data Monitoring Committee as described by the NCI Network Group Data Monitoring Committee policy.
