Thank You, Jeeves by P. G. Wodehouse, Paperback

After getting hit with a noise complaint from his neighbors and being deserted by his butler, Bertie heads out to the country to continue to strum his instrument. Bertie has got into playing the banjolele and, early in the story, is keen to make the acquaintance of minstrels so he can learn from them. Since I admittedly like my comedy British, I decided it was time to give Wodehouse a try.

Thank You, Jeeves Summary & Study Guide

Orwiginally published in London by Herbert Jenkins Ltd. Wooster without Jeeves is like Laurel without Hardy, Abbot sans Costello. Chuffy believes Bertram is drunk and takes him back to the cottage.

Thank You, Jeeves : P.G. Wodehouse : 9781787461062

I brought it with me in anticipation of this move.

Thank You, Jeeves book by P.G. Wodehouse

. I enjoyed revisiting Thank You, Jeeves, with the group and am excited about reading the other eight this year.

Thank You, Jeeves by P. G. Wodehouse, Paperback

In high dudgeon, Bertie disappears to the country as a guest of his chum Chuffy - only to find his peace shattered by the arrival of his ex-fiancée Pauline Stoker, her formidable father and the eminent loony-doctor Sir Roderick Glossop. But the characters are re-introduced in every book they appear, so you're unlikely to be confused about who they are. For example, Thompson suggests there is a hint that Jeeves may have deliberately led Bertie into trouble by arranging that Stoker rather than Chuffy saw Bertie kiss Pauline.

Thank you, Jeeves (1956 edition)

Did the brilliantly astute network asshts cancel your favorite television show in favor of a 22 part documentary on the Brittany Spears Comeback

Tour hosted by Paula Abdul? I wish for your assurance that you will immediately cease annoying this unfortunate woman. The perfect paperback, the perfect size, and, oh yes-- the perfect novel. The thing with Wodehouse is that he creeps up on you.

Jeeves and Blackface: Racism in Classic Literature

Whether inured - or numbed - by the language, this only caused me to roll my eyes, but also made me think how much part of British comedic culture this was until amazingly recently. While the music troupe do not make an appearance in person, they are referred to and become a major plot point.

Thank You Jeeves by Wodehouse

On the outer back cover, in the plot summary, Chuffy is referred to as 'Lord Chuffington'. The following morning, however, Bertram learns that Sir Glossop was arrested attempting to break in to the garage. While planning Thank You, Jeeves, Wodehouse wrote a letter to his friend William Townend about ideas for the novel.
