Children and young people's services

Try to do activities you enjoy, like , gaming, reading or other hobbies.

Runaway and Homeless Youth

Available on-line at: Sandoval, J. Recommendations for community learning disability teams and service providers 1.

Autism and mental health: Meeting the needs of young people in crisis

Include them in decisions about their treatment and ask them how they would like their families or carers to be involved. For example, suicide risk is higher for those who have experienced violence, including child abuse, bullying, or sexual violence.

Topic #9: Talking about what young people need during the pandemic

These factors may cause minority groups to distrust offers of assistance, face majority anger and blame, and have limited access to resources.

Culturally Competent Crisis Response

Fear and anxiety can be overwhelming and cause strong emotions. London: Public Health England Race Equality Foundation 2020.

Youth Services & Programs to Support Teens

Child protection Child protection is available to children and young people who are at risk of significant harm and need protecting. Additionally, child abuse may be during the pandemic.

Recommendations

Kalb: We are working on a study that will identify the proportion of youth with autism who are in crisis and examine what child and family

characteristics increase risk for crisis. Behavioral psychologist Louis Hagopian, an expert in self-injurious behaviors, played a crucial role in developing the assessment questionnaire.

Recommendations

The Welsh Government has also published non-statutory guidance on.
