## Internships

The International Co-op Internship is for students who intend to complete a work placement or internship abroad to meet the requirements of their academic curriculum.

## Canadian Weather

In Canada's political system, a key challenge for any federal government is balancing the conflicting interests of Canada's 10 provinces and 3 territories.

## Home

The Cabinet is headed by the currently , who is appointed by the governor general after securing the of the House of Commons. Civil law is also based on the common law of England, except in Quebec, which has retained its own civil code patterned after that of France.

## Canadian Weather

Canadian investment in the United States is concentrated in finance and insurance, manufacturing, banking, information and retail trade and other services.

## What Type Of Government Does Canada Have?

The —the country's —has nine justices appointed by the governor general on recommendation by the prime minister and led by the , and hears appeals from decisions rendered by the various appellate courts provincial, territorial and federal.

## Internships

Major Industries: Transportation equipment, chemicals, processed and unprocessed minerals, food products, wood and paper products, fish products, petroleum, natural gas. Once sworn in by the viceroy, the prime minister holds office until he or she resigns or is removed by the governor general, after either a or his party's defeat in a general election. The election was a big victory for Prime Minister Stephen Harper, who won a clear mandate for his conservative party.
