## **Milling machine & Shaper query**

So deep er cuts with fine r feeds, a good tool, the right cutting speed are all important things when roughing in the Shaper. It has been scanned by Google Books from the University of Wisconsin copy.

## **Atlas Mini Shaper...need tool holders and rocker**

Sold in the UK as the Acorn. Does anyone else know of other references that would be worth acquiring? It is well worth obtaining if you have a Logan shaper. Kings Langley, England: Model and Allied Publications Ltd.

## **Shaper Reference Books**

Hope this helps and good luck with your shaping! This contains 84 sheets of engineering drawings. It is still a little like a course but designed for a teacher to study for him or herself.
