## Pakistan's tough foreign policy challenges

PM should cut down his battery of unelected advisers and allow parliamentary committees to function.

### Dawn

Following are the biggest challenges facing urban policymakers.

## Covid 19—A leadership challenge

The political forces should prove they are equally patriotic. Secure and Reliable Digital Access Lastly, access to a secure, faster, and reliable communication network is a big challenge, especially in small cities, remote areas, farms, motorways, and highways. Economic sovereignty, stable political process, good governance and security are fundamental to successful domestic policy.

## The 8 Challenges in Pakistan's Digital Transformation Journey • The Lakshmi Mittal and Family South Asia Institute

In 2009, the per capita water availability in the country was around 1,500 cubic metres.

## Pakistan's tough foreign policy challenges

He leads research-policy engagements that derive actionable policy insights from rigorous research. Ladies and Gentlemen, Pakistan pursues peace and development in the region and friendship and cooperation in its foreign relations. This is highly unhealthy for provincial economies.

## Defining challenges

With financial discipline and a consistent policy based on liberalization, privatization and deregulation of economy with increasing emphasis on the growth of private sector, we achieved economic recovery and sustainable growth. Without better urban planning to accommodate rapid growth, cities have the potential to become hotbeds of discontent and unrest rather than engines of growth and innovation. He has to rally the entire nation.

## **The six biggest challenges facing Pakistan's urban future**

I am sure the understandings that we have reached will reinforce our bilateral relations and raise our cooperation in the political, economic and cultural fields to a new higher level. Published in Dawn, January 29th, 2021 Thank you Dawn, and indeed, thank you Dear Author. In the absence of one, there will always be unnecessary procedural delays, both in public policy formulation and service delivery to citizens.

### **Pakistan**

Mobility in urban Pakistan is also harder for women. Urban poverty is on the rise,.
