## Chemical Weapons

However, its deliberations shall not delay the inspection process. When inhaled, these agents prevent the transfer of oxygen to the cells, causing the body to asphyxiate. The effect of the chemical agent, once an individual is exposed to the vapour, may be immediate or can take up to three hours.

## Chemical Weapons Convention (CWC)

Sessions of the Conference shall take place at the seat of the Organization unless the Conference decides otherwise. It shall consider any questions, matters or issues within the scope of this Convention, including those relating to the powers and functions of the Executive Council and the Technical Secretariat. Each member of the Organization shall have one vote in the Conference.

## Chemical weapons

However, like the United States, Russia has missed the revised destruction deadline slated for 2012. The chemical weapons production facility shall be converted in such a manner that the converted facility is not more capable of being reconverted into a chemical weapons production facility than any other facility used for industrial, agricultural, research, medical, pharmaceutical or other peaceful purposes not involving chemicals listed in Schedule 1.

## chemical weapon

If additional time is required for completion of the investigation, an interim report shall be submitted within the same time-frame.

## Dismantlement and Destruction of Chemical, Nuclear and Conventional Weapons

The States Parties shall make the fullest possible efforts to provide assistance. These laws create the Canadian National Authority, located at Global Affairs Canada, and set out the rights and obligations of Canadians, including those who must submit declarations and those who are subject to inspection by the OPCW.

## The Future of Chemical Weapons on JSTOR

The Executive Council shall carry out the powers and functions entrusted to it under this Convention, as well as those functions delegated to it by the Conference. A State Party shall have the right to request the Executive Council to assist in clarifying any situation which may be considered ambiguous or which gives rise to a concern about the possible non-compliance of another State Party with this Convention.

#### **Chemical Weapons — Destruction, Conversion or Endless Debate?**

Each State Party shall meet the costs of destruction of chemical weapons production facilities it is obliged to destroy.
