Social Origins of Civil Society: Explaining the Nonprofit Sector Cross

The Institute for Policy Studies is a research and training center involving 14 full-time professionals focusing on issues related to nonprofit organizations, philanthropy, and civil society in the United States and throughout the world. Includes margins notes and quotes, graphs and charts, and space for notes.

Nonprofit Industrial Complex 101: a primer on how it upholds inequity and flattens resistance

Wojciech Sokolowski and Associates , Volume II, Bloomfield, CT: Kumarian Press, 2004. We first consider the legal definition of the subsector of SONPOs, and then investigate the newly introduced tools of government support featuring data on the scope of Russian federal government support for SONPOs. Department of Commerce, Bureau of the Census 1994.

America's Nonprofit Sector: A primer

II: The international classification of non-profit organisations: a framework for analysis, Voluntas, 3:3, forthcoming. Hungarian edition published as: A Civil Társadalom: Világkézetben with S.

America's Nonprofit Sector: A primer

It also explores the field's subsectors. This lack of diversity shows in how foundations give their money — the same study found that only 7% of foundation grant giving went toward nonprofits that explicitly serve people of color.
