The revised Latin primer (1906 edition)

A medieval adventure story, Seeking Donum, has also been added. It also has, in very concise form, practically all the rules of grammar and syntax. Hope you will like it and give your comments and suggestions.

This guy Richard decided he would try and find examples of Latin—very simple or very complicated, depending on the level or chapter that someone is on—and even right at the beginning he manages to find super simple Latin sentences from graffiti.

The Best Books on Learning Latin

We found this book important for the readers who want to know more about our old treasure so we brought it back to the shelves. Includes a Latin vocabulary list, two pages of activities, and an answer key at the end.

Latin for Children Primer B (Student Edition)

We found this book important for the readers who want to know more about our old treasure in old look so we brought it back to the shelves. We are really enjoying it and LOVE the video! Each page is checked manually before printing. Students will follow Marcus and Julia as they look for dropped coins or maybe even greater treasures—until an accidental run-in with an official messenger brings them more adventure than they bargained for! Hope you will like it and give your comments and suggestions.
