Dream Messages From God and Angels in Color

I am not really sure where this dream fits among the Psychic Dream scale. Distinguishing the two might seem a bit of a challenging task, however there are some clues that determine if you actually made contact. Yet, you should rather realize this dream either as a warning related to your fake friends or as a call from your unconsciousness to pay more attention to the spiritual aspect of life and try not to be selfish as you were until recently.

Spiritual and Metaphysical Dream Analysis

This is especially true if you broke up with someone and do not talk to anyone about your feelings. But if things are going well and you feel satisfied, your dreams may take on a different twist. I woke up crying but somehow stronger as if he his reassurance makes me feel better in a way.

Biblical Dream Dictionary

You may feel vulnerable or victimized in a waking relationship. Perhaps you can even create a ritual where you take each sip as you cement and recite your intention for the night ahead. Past lives influence your behaviors as well.

Dreams About Evil Spirits

In order to explain the mystery of matter he projected yet another mystery — his own psychic background — into what was to be explained.
