Gender and natural resource management: livelihoods, mobility and interventions

Several of the chapters here are substantially revised versions of papers presented in that panel, and discussions with other panel presenters whose work was not included helped shape the development of the book. Thus, the government extension services established an infrastructural as well as human resource base that private companies built upon.

Gender and natural resource management: livelihoods, mobility and interventions

Production is usually done in parallel with rice cultivation and animal husbandry and was traditionally conducted in every part of the northeast.

Leach 1998 'Questionable links: Approaches to gender in environmental research and policy'. FSC the Forest Stewardship Council is an international network to promote responsible management of the world's forests. Men do not reel but they do help in re-reeling.

Gender And Natural Resource Management Livelihoods Mobility And Interventions PDF Book

Women's roles and status were radically changed during the Vietnam—US war, when men went to the battlefields.

Gender And Natural Resource Management Livelihoods Mobility And Interventions PDF Book

Women were thus disadvantaged by legal policies regarding their ownership of resources such as land Ha, 1997; Tran and Le, 1997. From 1884 until 1945, the French colonial administration had authority over the mangrove forests, but no one was assigned to guard the forests. Now, improved species of mulberry can be found alongside local varieties in every village.

Gender and natural resource management: livelihoods, mobility and interventions

Women have smaller trading networks than men, and networks play an important role in trading of intertidal coastal products. They had relatives who were traders elsewhere in the country and from whom they received large sums to invest in money lending to earn interest. The whole area was covered with nets and clam watch-houses.
