## Oriental Influences European Porcelain

June 19th, 2015 I'm waiting for the numbness of my jaws to dissolve at the table in my hut in my forest-of-2-trees in downtown Amsterdam. Hundreds of art, design, architecture, interior design and photography books, including never-before-seen stock.

The native Moroccan, who lives and works in Paris, uses installation, sculpture and video to explore modern day industrialization, recent insurgencies throughout the Maghreb and the Middle East, and the inevitability of history repeating itself. From the bridges one overlooks to the left and right for a few hundred meters, until the view is blocked by the next bridge, those waters Amsterdam is famous for, the canals, de grachten.

## THE WEEKEND: MARCH 16

The photographs, primarily of homes and landscapes, were made in the desert regions surrounding Los Angeles, from the western Mojave Desert to the Salton Sea region, as well as in Utah and on a small island in British Columbia. . Printed materials, in both innovative and traditional forms, have played a key role in this exchange of ideas and sources.
