Global Environment Outlook

There are two parts to these proposals: claims about the superior economic returns to such investments, considered broadly to also include environmental resilience and distributional impacts, compared with alternative investments; and proposals for funding and financing this expenditure.

India GDP Growth 2020

Learning from low-carbon technology transitions in emerging economies What can these three diverse country examples of rapidly deploying clean energy solutions tell us about accelerating low-carbon technology transitions in emerging economies? This is similar to India's case where a PSE aggregated national demand and took over distribution of LED bulbs through new market mechanisms.
