## Origins Of Harappa Civilization

As a result of their agricultural surpluses and active trading facilitated by their easy access, settlements became larger and larger as more people gave up farming to become traders and artisans such as metal workers. It is likely that communication with Oman, Bahrain or Mesopotamia was by sea.

## Indus Valley Civilization {Harappan Civilization} (Brief Note)

The Harappa phase of 2600 — 1900 B. After the Longshan, there may have been a dynasty called the Hsia 2183-1752 B. By the time of its mature phase, the civilisation had spread over an area larger than the others, which included a core of 1,500 kilometres 900 mi up the alluvial plain of the Indus and its tributaries.

## Brief Notes on the Funerary Customs of Indus Civilization

They did fight-and there is enough evidence for it-possibly because the archeologists who were digging up various Harappan sites were looking for evidences of war and not of sport.

## The Harappan civilizations do not have homogeneity or uniformity in

Of many excavations undertaken over a long period of time in the Subcontinent, the one carried out at Mehrgarh between 1974 and 1985 Jarrige et al. Helsinki: Annales Academiae Scientiarum Fennicae, Series B, Vol. In addition, inter-ethnic marriage was encouraged and was very common, as revealed by the examination of joint-burials of Lothal.

## Brief Notes on the Funerary Customs of Indus Civilization

The exports included jewelry, metal tools, and pottery. Within the Harappan region we find manifestation of the regional variation and three such regional variations Domain according to Possehl 2002 can very distinctly be identified. There in Guatemala, they founded a large city called Copan.

## INDUS VALLEY CIVILIZATION

It consists of several rectangular blocks of brick for storing grains. As cities grew larger, they competed for resources such as water, land, and trade routes. It may have controlled administration and overall economy of the region.

### **Brief Notes on the Funerary Customs of Indus Civilization**

The source of silver may have been Jwar mines of Rajasthan.
