A Woman's Place Is in the Kitchen? The Relationship Between Gender, Food and Television

His brother suggests he change his last name, although I don't remember why, and Aristide picks the name Saccard because he says it sounds like there is money in that name.

Claude Grignon — Wikipédia

We feel the protagonists of the story come to life before our eyes. These magazines were seen by some commentators as evidence of a new type of masculinity — the new man. Wherever one looks, one comes across the interdependence of intra-state and inter-state processes.

Spatial reading: evaluative frameworks and the making of literary authority

He seeks by all means to make a fortune.

Realism and Reality Congruence: Sociology and International Relations

I now realize that I've been writing this a long, long time and have just made it to the end of the first chapter so I'm flying through the rest, hopefully.

The Kill (La Curée) (Les Rougon)

Thackeray mapped entrepreneurial concepts of literary authorship to a Whig history of political liberation.
