## Flood Insurance

This type of bond was created around the idea that the US Forest Service policy of total fire suppression has disrupted the cycle of small natural fires that traditionally maintain the healthy state of forests in the western United States.

## National Flood Insurance Program

This includes compliance activities in B, C, X, or D zones which are being changed to zones with base flood elevations. Eligible floodproofing activities are limited to: a. Appraisal If you and we fail to agree on the actual cash value or, if applicable, replacement cost of your damaged property to settle upon the amount of loss, then either may demand an appraisal of the loss.

## Compliance with Federal Flood Insurance Requirements

The duly licensed property or casualty agent acts for the policyholder and does not act as agent for the Federal Government, the Federal Emergency Management Agency, the Write Your Own WYO program participating insurance company authorized by part 62 of this chapter, or the NFIP servicing agent. Insured s also includes: Any mortgagee and loss payee named in the Application and Declarations Page, as well as any other mortgagee or loss payee determined to exist at the time of loss, in the order of precedence. The entity made up of the unit owners responsible for the maintenance and operation of: a.

## Flood Insurance

Those supports listed in R.

## **A Brief Introduction to the National Flood Insurance Program: Homeland Security Issues in the 116th Congress**
