Importance of Shame, Honor, and Reputation

With a growing open access offering, Wiley is committed to the widest possible dissemination of and access to the content we publish and supports all sustainable models of access. The wise inherit honor, but fools are put to shame! As a faithful son who honored the Father, he atones for our objective shame before God and liberates us from subjective shame.

Proverbs 3:35 The wise will inherit honor, but fools are held up to shame.

Although I feel like apologizing for the length of this treatise, I hope that its length will allow it to be thorough and helpful in providing a deeper understanding of our respective views. But I have learned that the farther away the destination, the better it makes me feel about myself.

Proverbs 3:35 The wise will inherit honor, but fools are held up to shame.

But I will nevertheless answer all your questions above, i. But they later realized very clearly its meaning, when Jesus explained it to them after the resurrection.

What does Philippians 3:19 mean?

You can come to him in repentance instead of hiding from him. It was at the cross where our sins were dumped upon Jesus. Yes, ultimately he will enter his glory, but the way is through suffering and this is not a contradiction in his mind.
