The decline of Islamic scientific thought: Don't blame it on al

Usul al-Fiqh al-Islami أصول الفقه الإسلامي dua Jilid , 1986. . Al-Alaqa al-Dawliyah fi al-Islam 1981 , العلاقات الدولية في الإسلام .

Ziarat Places of “Sham” Syria

Previously, sciences and Islamic law were intertwined. Stupidity of people still thinking and living as if they are in the iron age Christians or Muslims or anything else will never be really solved by science. Qur'an 59:24, tr Yusuf Ali Allah! Certainly, throughout Islamic history up until now, there have always been bright scholars who existed within the most regressive systems such as in Taliban Afghanistan or Wahhabi Saudi Arabia.

Ninety

. But, if Hassan is correct, surely, there would have been those who used a misunderstanding of al Ghazali, to reinforce their own religious fundamentalism.

Ninety

The madrasa was a cultural revolution which gave new spaces for the mathematical sciences and parts of philosophy.

The decline of Islamic scientific thought: Don't blame it on al

All the social issues that exist in both developed and not so developed countries exist not due to scientific progress but in spite of it.
