**Pioneer in Female Ministry**

In many countries, however, from Canada to Poland, that tradition still remains strong. Print Img No-img Menu What does Labor Day mean? Only one woman was over age 20; their only training was during the voyage from England.

### In Celebration of Labor

Here work was tough—when it was available—and people were inured to the frequent changes of fortune that industrialization brings. However, when one examines the top-tier leadership of labour unions, women are grossly underrepresented.

### In Celebration of Labor

But, you see, we are made in the image of God and as such we are made to work—to create, to shape, to bring order out of disorder. .

### from The Woman's Labor. An Epistle to Mr Stephen...

Their activities along with those of their male counterparts between 1878 and 1885 transformed an inner-city mission into a nationwide crusade. The Jamaica Teachers' Association JTA differs from most of the other unions because this is where woman power is in evidence at committee levels and at the highest rung of leadership. John Wesley preached to them—and in the process, he pricked the conscience of the whole nation.

Despite that, in under 3 months the women had founded 10 corps,.

### **from The Woman's Labor. An Epistle to Mr Stephen...**

She had been sent by William Booth to open a branch of the Christian Mission in this mining town. The teenager was Rose Clapham, an uneducated factory worker from South London, whose task was to find her own congregation, persuade them into the largest building in town, the local theater, and to preach until they surrendered to Christ. Men, women, and children were practically slaves—sometimes even chained to machines.

### **Pioneer in Female Ministry**

Even though women were there marching with the men to gain recognition and union power, somehow this female talent pool became invisible and faded into obscurity. The guilds became the forerunner of the modern labor movement.

### **In Celebration of Labor**

The dearth of female leaders in labour unions was highlighted recently when an all-male panel gathered at The Gleaner's Fourth Floor Forum at the North Street, Kingston, office to talk about the relevance of trade unions. INTERNATIONAL RECOGNITION For a country that has been recognised by the International Labour Organization for outstanding leadership by its women, particularly in areas of business and media, it is ironic that women have not been able to enter the higher echelons of the major labour unions. Taylor calls it a paradox.
