## CRDP Lebanon

The Eighteen Nineties: A Review of Art and Ideas at the Close of the Nineteenth Century. It presents the works of writers as Oscar Wilde, Arthur Symonds, Rosamund Marriott Watson, and W B Yeats.

## Talk:Decadent movement

Adam Yauch of the Beastie Boys died of cancer in 2012. Offline, you could still believe that your perspective was fresh, your feelings original, because social media had not yet collapsed personal reactions into a singular, hash-tagged cultural response. The Decadent movement was all about self-indulgence, drugs, and being totally emo minus the Chuck Taylors and Dashboard Confessional records.

## Decadent

The Yellow Book is noteworthy not only because it was central to the movement, but also because it made the then-radical move of publishing women writers. People were puzzled and shocked and delighted, and yellow became the colour of the hour, the symbol of the time-spirit.

## Wormwoodiana: Incurable

They are online with me. See what a mass of gems the city wears Upon her broad live bosom! They were a group of late-19th-century writers and poets who told industrialized society to talk to the hand and instead focused on promoting sensuality. Its reputation was somewhat restored by Walter Binni after , only to fall again under the attack of the Marxist critic Carlo Salinari in the 1960s.
