Belief in the merits of the Supreme Bodhi arouses our determination and joy for it, and further inspires us to seek it out. Endowed with all benefits, he views living beings with compassionate eyes.

Mindful Practices for Living

And in the same way that organs, tissue, veins, nerves, and the other parts that make up our body can sometimes seem separate, but are always very much an inseparable part of the same one greater system, we too are intrinsically connected and should live in a way that we become more and more aware of this interconnected nature and seek to express it in our daily lives. Together with the Path of Prajna, there are five stages.
