### The Complete English

The Alcaley's English-Hebrew+Hebrew-English is the most comprehensive available. Reprinted in 2015 with the help of original edition published long back. Students of Biblical, Mishnaic and Rabbinic Hebrew will like this dictionary for its comprehensiveness, and ease of use.

### Hebrew Dictionary

If the original book was published in multiple volumes then this reprint is of only one volume, not the whole set.

### The Complete Hebrew

As this reprint is from very old book, there could be some missing or flawed pages, but we always try to make the book as complete as possible.

### Hebrew Dictionary

NO changes have been made to the original text.

### The Complete Hebrew

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.

### A complete Hebrew

By the 1950s this YMHA no longer existed, and the book probably dates back to the 1930s. Only the columns are numbered and not the pages.
