Responses to the COVID

The plan for the NCA was to put Maasai interests above all else, but this promise was never met.

I love the attention, and often find myself the life of the party recounting tales of narrowly escaping being trampled by a bull elephant, or waking up with a scorpion crawling across my forehead.

A close

Traditional Maasai centres around their , which constitute their primary source of food. And thus the filmmaker and the viewer are urged to reflect if they have become part of the problem of the voyeuristic invasion of cultural tourism.

A close

Many families have nothing to send.

Maasailand Safari: Living Among the Maasai

By 2009, after two years of insufficient rain, dust clouds covered the sky, and wells ran dry. Growing up in Washington, D.

Ecology and Coexistence

Maasai overestimate how much money tourists could make from taking photographs.

Ecology and Coexistence

It is known as the largest mass movement of land mammals on the planet — with more than a million animals following the rains. But the tears also represented a feeling that was beginning to surface and that caught me off guard - that I was homesick. The classroom included children who wanted to be teachers, doctors, nurses, and politicians.
