## Gion Matsuri 2021 in Kyoto, Japan

I was so fed up with the heat in Tokyo and I don't know if I want to be in Kyoto in summer. The same goes for July the 21st, 22nd and 23rd.

## Japanese Tradition: Gion Matsuri

Along the parade, a profusion of many different dancers and acrobats make it even more joyful and lively. These were built thanks to the collaboration of the merchant class that in this very period lived a moment of success after centuries of denigration.

## A month of festival, Kyoto Gion

We encourage you to join us and consider supporting the Austin Justice Coalition or the organization leading the ongoing movement for accountability and change in your community.

## A month of festival, Kyoto Gion

Each and every one of them will be dressed in colorful and rigorously traditional clothes. It is held every summer for the whole month of July and is meant to calm the spirits of the dead and ask for protection over the city to the God so that he can keep illnesses and natural disasters away.

## A month of festival, Kyoto Gion

Population concentration and the poor water and sewer system were the perfect reason to provoke malaria, smallpox and influenza as well as dysentery or measles. The route for this procession is indicated in green on.

## Gion Matsuri 2021

How to spend money wisely in Japan? The main event, the Yamaboko Junko which is held on July 17 and 24, follows a 3-kilometer route passing Shijo, Kawaramachi, and Oike streets. Both yama and hoko are elaborately decorated and represent unique themes. Please let us know if you have any dietary restrictions or allergies.

### **Gion Matsuri 2021**

Everything was accompanied by other celebrations and joyful moments.
