## Handbook of Parenting: Theory and Research for Practice

Contributors have worked in different ways toward understanding all of these diverse aspects of parenting and look to the most recent research and thinking in the field to shed light on many topics every parent has wondered about. Parenting and the family are today in a greater state of flux, question, and redefinition than perhaps ever before. Completely revised and expanded from four to five volumes, this new edition of the Handbook of Parenting appears at a time that is momentous in the history of parenting.

## Handbook of Parenting: Volume 5: Practical Issues in Parenting, Second Edition

He is the author of *Troubled and Troublesome* 1978 and *The Delinquent* 1983 and co-author of *Assessing Problem Children* 1980 and *Treating Problem Children* 1988. Similarly on the sociological front, single parenthood is a modern day fact of life, adult child dependency is on the rise, and parents are ever less certain of their own roles, even in the face of rising environmental and institutional demands that they take increasing responsibility for their offspring.

## Handbook of Parenting: Volume 5: Practical Issues in Parenting, Second Edition

Long is a Professor of Pediatrics and the Director of Pediatric Psychology at the University of Arkansas for Medical Sciences and a licensed clinical psychologist. Because development is too subtle, dynamic, and intricate to admit that parental caregiving alone determines the course and outcome of ontogeny, volume 1 concerns how children influence parenting. Long has published extensively in the area of parenting and has been a frequently invited speaker on parenting at the national and international level.

## Handbook of Parenting: Volume 5: Practical Issues in Parenting, Second Edition

Contributions are presented from an internationally renowned group of scholars known for their work in a range of disciplines, including child and family psychology, education and family studies, providing an accessible map of the major debates in theory, research and practice in this important and exciting field.

## Handbook of Parenting: Volume 5: Practical Issues in Parenting, Second Edition

In addition, each chapter follows a standard organization, including an introduction to the chapter as a whole, followed by historical considerations of the topic, a discussion of central issues and theory, a review of classical and modern research, forecasts of future directions of theory and research, and a set of conclusions. One cannot but be awed on the biological front by technology that now not only renders postmenopausal women capable of childbearing, but also presents us with the possibility of designing babies.

### **Handbook of Parenting: Volume 5: Practical Issues in Parenting, Second Edition**

Divided into four volumes, the Handbook of Parenting is concerned with different types of parents, basic characteristics of parenting, forces that shape parenting, problems faced by parents, and the practical sides of parenting. Published in a single-volume format, this handbook will prove an invaluable and essential resource.

### **Handbook of Parenting: Volume I: Children and Parenting**

One-year follow-up data from the Parents Matter study indicates that parents participating in the prevention intervention, relative to the control intervention, demonstrated increased parent-pre-adolescent sexual communication and improved parent comfort with and responsiveness to sex-related questions.
