Finnish Cultural Institute in New York

In 2010 there was Outsider art exhibition which could be seen among trees in the woods.

Finnish Cultural Institute in New York

He grew up in a Finland where homosexuality was punishable by law and classified a mental disorder far into the 1970s. You can visit Amos Rex with pre-booked tickets or get your tickets at the door.

Category:Design Museum Helsinki

Those who use the accessible entrance can buy tickets in the museum gift shop. Talvez você possa encontrar algumas esculturas favoritas entre elas.

Helsinki Festival 2021

An artist who eventually reached world-wide fame and could leave the dark rooms to live in Los Angeles half of the year, where the leather gay lifestyle happened in the open — a result of the fight and societal change to decrease oppression towards LGBTQ-people that was happening parallel to his artistic life.

Art finlandais

This is where the story of Tom of Finland starts, and now in The Darkroom 31 July-8th November at Fotografiska Stockholm we meet a new unknown side of his work, 100 years after his birth.

Finnish Cultural Institute in New York

From dark hidden rooms or parks, to open, well-lit salons.

Finnish Cultural Institute in New York

The works in the exhibition have been carefully chosen to suit the atmosphere and interior design of each room. It does not have to be about buying — come and be inspired by our book selection, discover something pretty and nice or simply enjoy the collection of art magazines for everyone! Two people meeting, a natural connection between them in confidence and warmth: something that doesn't come across in the drawings, which are more anonymous, fetishist images.
