I say, I shall not take up time to speak of the causes which produced so much wretchedness and massacre among those heathen nations, for I am aware that you know too well, that God is just, as well as merciful! What do they think I take God to be? All single right and left quotation marks are encoded as ' and ' respectively.

Jefferson but have given the world these remarks respecting us, when we are so submissive to them, and so much servile deceit prevail among ourselves--when we so meanly submit to their murderous lashes, to which neither the Indians nor any other people under Heaven would submit? What nation under heaven, will be able to do any thing with us, unless God gives us up into its hand? There is no intelligent black man who knows any thing, but esteems a real Englishman, let him see him in what part of the world he will--for they are the greatest benefactors we have upon earth.

America is the Asylum for the oppressed of all nations!!! The sufferings of the Helots among the Spartans, were somewhat severe, it is true, but to say that theirs, were as severe as ours among the Americans, I do most strenuously deny--for instance, can any man show me an article on a page of ancient history which specifies, that, the Spartans chained, and hand-cuffed the Helots, and dragged them from their wives and children, children from their parents, mothers from their suckling babes, wives from their husbands, driving them from one end of the country to the other? If you do you are much mistaken--See how the American people treat us--have we souls in our bodies? What has the Lord to do with a gang of desperate wretches, who go sneaking about the country like robbers--light upon his people wherever they can get a chance, binding them with chains and hand-cuffs, beat and murder them as they would rattle-snakes? No says one, that never can be done--your are too abject and ignorant to do it--you are not men--your were made to be slaves to us, to dig up gold and silver for us and our children. I say unto you again, you must go to work and prepare the way of the Lord. If it were possible, would they not dethrone Jehovah and seat themselves upon his throne? Have they not to be reconciled to us, or reconcile us to them, for the cruelties with which they have afflicted our fathers and us? Copies found in the possession of slaves led to stronger laws against teaching slaves to read and distributing inflammatory writing in a number of southern states.

Do they not institute laws to prohibit us from marrying among the whites? Yea further, when I view that mighty son of Africa, HANNIBAL, one of the greatest generals of antiquity, who defeated and cut off so many thousands of the white Romans or murderers, and who carried his victorious arms, to the very gate of Rome, and I give it as my candid opinion, that had Carthage been well united and had given him good support, he would have carried that cruel and barbarous city by storm. Let no man of us budge one step, and let slave-holders come to beat us from our country.

Will the Lord suffer this people to proceed much longer? My observer may see some of those ignorant and treacherous creatures coloured people sneaking about in the large cities, endeavouring to find out all strange coloured people, where they work and where they reside, asking them questions, and trying to ascertain whether they are runaways or not, telling them, at the same time, that they always have been, are, and always will be, friends to their brethren; and, perhaps, that they themselves are absconders, and a thousand such treacherous lies to get the better information of the more ignorant!!! Some perhaps may deny, by saying, that they never thought or said that we were not men. Images scanned by Elizabeth S.
