**Marmaduke and the Lorry : Elizabeth Chapman : 9780340036303**

To have the condition removed, a person needs to pass a practical driving test in a vehicle with non-synchromesh transmission constant mesh or crash box. However the involvement of the lorry drivers offered them no protection when too many people were packed into one container.

**Marmaduke and the Lorry : Elizabeth Chapman : 9780340036303**

It might derive from the verb lurry to carry or drag along, or to lug which was in use as early as 1664, but that association is not definitive. I heard what sounded like eight or nine ambulances, lots of sirens.

**Driver injured after lorry skidded, crashed into tree at Jalan Miri**

But yesterday, despite claims the roads were worse than before, crews were sent out to collect waste.

**Five killed after car**

Five minutes later, a white refrigerated lorry stopped and the migrants got into the back of it, before the vehicle drove away. This type is often made by replacing the passenger side of a cab-over truck with an extended section of the load bed.
