## Modeling the capital market

ADVERTISEMENTS: If the rate of capital formation is to be stepped up, the development of capital market is very necessary.

## Modeling the capital market

In the absence of corporate debt market, SSA countries rely more in bank financing and stock markets. The third source of savings is government. Melese told Capital that the implementation process has already commenced and project team is in the formation, while partners have also supported the process for the establishment of ECMA.

## Ethiopia

All these factors are weak in Ethiopia and need to be improved. Given that a country has got a good number of venturesome entrepreneurs, investment will be made by them only if there is sufficient inducement to invest.

## Public External Debt, Capital formation and Economic growth in Ethiopia

This is also true for Ethiopia. Intuitional investors tend to buy and hold bonds for long term, to minimize asset liability mismatch. Second, the
