Hamzatu l-wasl, elidable hamza, is a phonetic object prefixed to the beginning of a word for ease of pronunciation, as literary Arabic doesn't allow consonant clusters at the beginning of a word. Owing to its rich literary reservoir and highly sophisticated rhetorical leanings - a persuasive and an argumentative tool that is often utilized in multi-faceted and scholarly debates - it is no wonder that Arabic quickly acquired a universal status in the Muslim heartlands and soon after became the lingo franca of the vast swathes of Muslim territories captured by the belligerent Arab armies during the Middle Ages.

## Maqālāt al

Its multi-faceted usage and nature elevated Classical Arabic to the peaks of literary triumphs so much so that Arabs and Arabic came to be an all encompassing word for elegance, expression and convincing statements.

## Kitab Fiqh al

Similarly, logic is invoked to ensure correct thinking, not thinking per se. Classical Arabic has twenty-eight consonantal phonemes, including two semi-vowels, which comprise the Arabic alphabet.

al

Pendekatan ini juga sangat berbeza dengan kaum mujassimah kaum yang menyerupakan Tuhan dengan makhluk yang sangat terikat dengan makna zahir nas al- Qurān dan al-Hadith. Karya ini telah memperkenalkan kepada kita dan sekaligus menapis iktiqad yang salah dan akhirnya menatijahkan pegangan iktiqad yang benar. Surviving collections of pre-Islamic poetry provide evidence of a literary genre characterized by a sophisticated literary style that invokes ancient tales, communal homilies and ethical and moral frameworks to which the pre-Muslim Arabs adhered to.

## Du'a al

The Arabic language in the pre-Islamic period played a pivotal role in societal and cultural expressions of aristocracy, social status, and moral and

ethical rulings. Short vowels are not usually represented in written language, although they may be indicated with diacritics.

### **Maqālāt al**

He prepared an Arabic translation of the whole Pentateuch published by Joseph Derenbourg and a translation with an extensive commentary on Genesis 1—28, Exodus, and Leviticus. Usaha ini telah diperakui sendiri oleh pendokong kuat aliran al-hadith seperti Sheikh al-Islam Ibnu Taimiyyah.

### **al**

In the latter work the Gaon contends that matters pertaining to the irrational commandments of the Mosaic Law may never be decided by means of analogy but only by the regulations transmitted through oral tradition.
