Grow Curriculum

Learn about the lives of people in your community and especially ways that mission ministries can address community issues such as homelessness, hunger, environmental clean-up, eldercare, and so on. Try it for free: Grow Curriculum is as easy to use online as it is in person! Carol Slicklen — Secretary Carol is the Director of Administration for Nowspeed, Inc.

Chester

Here are six areas where, if you want to grow, you absolutely need a strategy: DISCIPLESHIP. Many churches have moved from having committees to ministry teams. Before starting Provision Ministry, Tom was Director of Development for Straight Ahead Ministries and worked with major donors, corporations, and foundations to help build long term partnerships that supported, sustained, and developed the programs at Straight Ahead.

Spiritual Gifts Survey

Changes to Legislation Revised legislation carried on this site may not be fully up to date. In some cases, these support ministries could just be based under a certain ministry if they primarily, or almost exclusively, deal with only that ministry.

Group Publishing

Regardless of the situation, make sure your church members know how to contact you during an emergency situation, which will require this information to be easily accessible. Add this on top of your other duties, and you have a recipe for a 100-hour workweek.
