Bohn, 1860 , by Friedrich von Schlegel, trans. Learning to Love God Especially for young children - Now available as an e-book! The uninterrupted veneration which began with the day of her death received the sanction of Pope Pius IX. Ch Levesque, and the Elder.

Blessed Antonia of Florence

Gallery of Art and Archaeology and Henry S. He approved it, and at his suggestion and with the sanction of the Holy Father, a new convent of the Poor Clares was founded at Aquila, which Antonia with twelve consecrated virgins entered in 1447. She entered the married state at a very early age, in compliance with the wish of her parents.

Anthinea; d'Athènes à Florence : Maurras, Charles, 1868

Eastlake Library and George M. Although the religious community zealously served God according to the rule of the Third Order, it did not satisfy Blessed Antonia in her yearning for personal perfection.

Blessed Antonia of Florence

In consequence, after a few years, Blessed Antonia of Florence was sent to establish a convent in Aquila. Once a glowing sphere was seen suspended over her head.

Anthinea; d'Athènes à Florence : Maurras, Charles, 1868

Her prayer amounted to perfect contemplation of heavenly things, the ardor of her devotion sometimes causing her to be raised aloft bodily.
