This assumption, which is not often spelled out, is that the attempted Jewish genocide never took place, but rather that a secret conspiracy of Jews, starting around 1941, planted and forged myriad documents to prove that it did; then, after the war, they rounded up all the camp survivors and told them what to say.

## Introduction to the Holocaust: What was the Holocaust?

In order to come to an end as fast as possible, the driver presses the accelerator to the fullest extent. This might be believable if only a few Nazis were captured after the war, or maybe if some had courageously stood up in court and shouted to the world about the supposed attempt to silence them. Höss testified that the Sonderkommando would alternate between putting three and two bodies in each muffle.
