Empress Farah Pahlavi of Iran and Princess Noor on Life Beyond the Peacock Throne

As we left, they gave us flowers. The consequences, in a political system where everything revolved around one man, were predictably catastrophic. It is a wonderful dream.

PEACOCK

One of the things that makes the Shah of Iran so different and so unique, is the nature of his enemies. The Shah's reform plans mean that the peasants will become landowners instead of all working for one landlord.

The Peacock Throne: 5 amazing facts about the most expensive piece of furniture ever made

The Iranian Government is that could lead to its downfall and, at the very least, must leave it isolated and enfeebled. A 2013 survey of conducted by's Center for Social Science Research found that 79% of respondents did not support any Iranian opposition groups or figures.

Reza Pahlavi, Crown Prince of Iran

Muhammad Shah begged for the pardon of innocent people.

The Shah of Iran and the glittering Peacock Throne

In 1739 the Persian King Nader Shah sacked Delhi and captured the throne. Farah is the first Iranian queen ever to receive a crown. It lies on the ancient military route between east and west and has for thousands of years been at the mercy of wave after wave of foreign invasion.

Iran : land of the peacock throne : Spencer, William, 1922

Saturday 05 May 2007: to via After breakfast with the Barzegars we left Bazm village and drove into the Bavanat county countryside, walking to a nomad camp for sweet tea and an insight into nomadic life. Then a peaceful stroll alone along the rural alleyways back to the Amir Kabir Hotel. Iran, England, and Southeast Asia are distinguishably ornamented with white diamonds, India with light color rubies, Central and South Africa with

sapphire while equator and other geographical lines shine among these places.
