Diversity of belief about masturbation within the Roman Catholic church

Due to the Roman Empire's vast extent and long endurance, the institutions and culture of Rome had a on the development of , , , , , and in the territory it governed, and far beyond.

The religion and culture of the Roma (a.k.a. Gypsies)

Its root, pounded to a paste and drunk in vinegar for ten consecutive days, has the astonishing effect of turning a boy into a eunuch. So this is the goal of every man: to attain heaven. France: Editions Grasset and Fasquelle.

Sexuality in ancient Rome

The physical arrangement of the amphitheatre represented the order of Roman society: the emperor presiding in his opulent box; senators and equestrians watching from the advantageous seats reserved for them; women seated at a remove from the action; slaves given the worst places, and everybody else packed in-between.

Ancient Tax Collector (Bible History Online)

The February , celebrated as late as the 5th century of the , included an archaic fertility rite. This quarantine continues at least until the baptism of the baby. The family enjoys making pilgrimages to the many ancient monastic sites around Ireland.

Confession Guide for Adults

Urban graffiti, which include literary quotations, and low-quality inscriptions with misspellings and indicate casual literacy among non-elites. Only by returning to God, by humbly accepting our position as creatures of a loving God, by handing him the reins and bowing in obedience to him, can our culture be saved. An exception was the , a genre of poetry that celebrated a wedding.
