Arc the Lad: End of Darkness Review

But on the dark side, she feels more lost than ever. United, a Pack can face any threat.

Survivors: The Gathering Darkness

There are a few good missions here and there, but playing them over and over in order to avoid the bad ones can get a little old too.

Dark Arc (2004)

THANATOS Ever since my sister was killed, I've been on a path of self-destruction. It explained Kakashi's backstory in-depth, how he dealt with being on Team Minato, his rivalry with Obito, and his past with his father, who took his own life due to guilt.

Survivors: The Gathering Darkness

Edda successfully exorcises the Malademon, however grows weak and passes out. Some of these may sound interesting, but many of them are pretty much the same, just with slightly different conditions and different enemies. And whenever they questioned him, he would use rank to put them back in their place and remind them that his word was the only one that counted.

ARC Review: The Dead and the Dark by Courtney Gould

Card equipment systems and synthesis shops have been around for ages.
