## Welcome

As well, when we first met Racer back in Legend, we knew that he would be a little man to steal hearts from left and right. I didn't have to read this story to already know that I would love it.

## Racer (Real, #7) by Katy Evans

What did you do to me, Katy Evans?!? A woman with a mission. . Can you love someone so hard that every part of you feels it? It's printed by skilled American artisans in a factory with big machines with lots of moving parts.

## Get Traffic Racer

Secondly, their F1 team consists of her three brothers and her father. Racer's hot mouth heated me, blazing me where my body was on fire. My mind went another dimension just for a second.

## Racer

This romance is so RAW that Racer felt REAL.
