**Test of the International Term Structure of Interest Rates: The** by John B. Guerard and Robert Berry

To complicate matters, concerns regarding short run objectives may or may not line up with longer run goals.

**US dollar LIBOR interest rates**

But home buyers had to endure relatively high rates for much longer than just that stretch. This makes monetary policy less effective as a macro economic tool.

**Money supply and the exchange rate**

What are the longer-lasting economic trends to watch for in 2021? Published in Economic Record Mar 1988, pp.

**Canadian Quarterly Economic Forecast**

Employment, Output and Real Wages.

**Research reports**

Mendes is regularly quoted in the media for his work at CIBC. And four, the virus has increased the desire for people to move out of dense urban areas into less-dense suburbs, thus raising demand for single-family homes. Published in American Economic Review Mar 1982, pp.
