The Mexican Revolution: November 20th, 1910

The women of colonial Latin America. The new economic expansion did not trickle down and wages remained low for workers, who often worked in appalling conditions.

The Mexican revolution: its past, present and future

In Mexico, as a democratic Republic, the public power can have no other origin nor other basis than the will of the people, and the latter can not be subordinated to formulas to be executed in a fraudulent manner.

The Mexican Revolution: November 20th, 1910

During the nursing period they shall have two special rest periods each day, of a half hour each, for nursing their infants. Exports increased by a factor of six, averaging a growth rate of more than 6 percent per year. Noble women were often married to the rulers of neighboring kingdoms, thus creating dynastic alliances. Although the majority of these women had few political responsibilities, they were vital to the political fabric of the state.

Mexican Nationalism

The importance placed upon social class caused purity of blood to become a factor in regards to marriage. The Secret History of Gender: Women, Men, and Power in Late Colonial Mexico. All that was required was to call a general strike, set up democratically elected action committees of workers, peasants, unemployed, women and youth, and the way would have been open for the transfer of power to the workers and peasants.

The Mexican revolution: its past, present and future

Education for children expanded during this time as a way to inculcate patriotic values into the youth. Political democracy became a burning issue,

and when Francisco Madero launched his presidential campaign, and later his revolt, many in the middle classes rallied to his banner, which he undoubtedly expected.

Diaz and the Porfiriato 1876

The emulation of Europe was especially evident in the arts and in architecture, to the detriment of indigenous forms of cultural expression. In the town of San José de Gracia, in the state of Durango, the hacienda boundary stone rested at the foot of the church tower. Mexico remained saddled with a huge foreign debt and an empty treasury.
