Military Examinations in Late Choson, 1700

In effect, three generations have passed since division with minimal contact between the two nations.

Korean Stories for Language Learners: Traditional Folktales in Korean and English

Raybang is a subtle tribute to the unrecognized toils and sacrifices of the silent majority of hard-working men and women who never had any prospect of making good.

World Literature series (Minumsa)

Raybang can in fact not be counted among these movies, since it does not deal with the Vietnam War and only uses Vietnam as a symbol. Munhwaŏ Haksŭp portrays the ideals of an average South Korean citizen as not too different from that of North Koreans.

World Literature series (Minumsa)

The high school curriculum was centered around one government designated Japanese language textbook until 1982 when the government expanded to produce five separate textbooks for teaching Japanese in high schools Im 441. The politics of suffering, the exploitation for political ends of human suffering, have no nationality.

Shin Sang

It is a searchable full-text database from over 200 Korean journals in various disciplines. The notion that the South Koreans and the Vietnamese are fundamentally alike and that it is only the war the US in other words that keeps them apart, is clearly Poster for muoi 2007 Poster for Sunny 2008 articulated in this sequence of scenes. Suk-Young Kim, Illusive Utopia Ann Arbor: University of Michigan Press, 2010 , vii.

Shin Kyung

Vastly superior in all aspects cinematography, production values, acting, script, direction, editing, and the like to Muoi, it is the story of a platoon of ROK soldiers sent to an abandoned French plantation the so-called R-point where they must find out what happened to another Korean platoon that went missing there. Furthermore, Vietnam is not as central to the novels as South Korea is, even if according to one influential critic a novel like *The Shadow of Arms* should have contained more explicit references to the South Korean situation to emphasize its importance as a novel for South Korean society.
