## ARGO VANGUARD 6X6

Allows for pharmacists and technicians from other jurisdictions to practice in Kentucky March 25 Allows for pharmacists to practice remotely utilizing a closed network pharmacy software as long as there is a pharmacist present to conduct final verification and in-patient counseling April 10 Allows for technicians to perform certain tasks, such as data entry and payer adjudication, remotely.

## Sport and Recreation Management

Provides guidance if a pharmacy has to close.

## Smart Farming Market Business Development Strategies by Major Industry Players: Deere & Co., Trimble Inc., AGCO Corporation, Raven Industries and Many More

Authorizes out-of-state licensed pharmacists to practice in South Dakota with an NABP Passport.

## Sport and Recreation Management

This metric, which divides TPP tax collections by population, is appropriate as it accounts for variations in valuation, exemptions, and assessment ratios to create an equivalent comparison between states.
