### Counselor : A Life at the Edge of History, Hardcover by Sorensen, Ted, Accept...

The thought, care, humor, subtlety, and deftness that the president and his staff applied to JFK's speeches gives us a window into a better time for public service and rhetoric.

### Search

If they didn't have a bed board, sometimes he and I would move his mattress onto the floor. In any event, what's more important than the speech was the leadership that he demonstrated. The letter is published in the book along with Sorensen's reply.

### Counselor : a life at the edge of history (Book, 2009) [mikhmon.us.to]

What Sorensen does provide is a clear-eyed and frank view of his own life and its sizeable impact on political history of our times. Ultimately, we collected enough to draft first an article and later a book, called , which itself is an example of idealism at its best. How could something I write be of any use? It was way too big a meeting for Kennedy to make the kind of crisp, clean decision he knew was needed and liked to make, and way too big to keep a secret.

### Counselor: A Life at the Edge of... book by Theodore C. Sorensen

. Mostly, though, it is because the loyalty that Kennedy obviously prized in Sorensen has never faded and the affection that Sorensen felt for his boss is still explicit 40 years after Kennedy's assassination. He talks about his family a good bit.

### Counselor : A Life At The Edge Of History by Ted Sorensen 1st Ed, 1st Print 2008

Far from Harvard and all things Kennedy, Sorensen began to discover his facility with language. We were from totally different kinds of families, religions, educational backgrounds, economic backgrounds, all the rest, but we had something in common, which we both discovered very soon: we were both idealists.

**Nonfiction Book Review: Counselor: A Life at the Edge of History by Ted Sorensen, Author . Harper \$27.95 (576p) ISBN 978**

Sorensen was born in 1928, already surrounded by presidents. I also learned that his relationship with Jackie Kennedy was close and filled with admiration and respect, especially after the death of the president. Sorensen quickly rose up the ranks in JFK's senate office, from research aide to speechwriter to campaigner and advisor.

**Counselor: A Life at the Edge of... book by Theodore C. Sorensen**

No obvious damage to the cover, with the dust jacket if applicable included for hard covers. There is a lot of name dropping without a lot of substance. All in all, Sorensen comes across as a likable Nebraskan of firm convictions and high principles who, through a combination of luck and ability, was privileged to occupy a pivotal position on the world stage for a brief, shining moment.
