Launch of Good Professional Conduct Guide

Keep in mind that whether you do your own record keeping, assign it to a staff member or retain a bookkeeper or accountant to maintain it, you, and your partners if any, are responsible for ensuring that your firm maintains the required records and follows the money handling requirements in By-Law 9.

Continuing and Welfare Powers of Attorney

Well done to the whole team, would highly recommend them. Arbitration is often described as faster and more flexible than formal court decision making.

Arizona now allows nonlawyers to practice law. That's good and bad

Our contact was very friendly and helpful.

Family/matrimonial

I was particularly impressed that Graeme referenced a relevant landmark case at the very meeting. Their service has always been excellent. Steve Rodgers I have had the pleasure of having Naheed handle my case, she did this with with great attention, and was caring and very sympathetic.

A Lawyer's Guide to Estate Planning: Fundamentals for the Legal Practitioner, Fourth Edition

What happens if the wife objects to the Scottish proceedings, and wishes to commence English proceedings instead? With the advent of the global pandemic hearings in the Family Court are increasingly being held remotely by telephone or on video conferencing software. Particular care should be taken to identify vulnerability which may have arisen or developed since time of granting.

Family Law

This is primarily aimed at those in the first few weeks of their new found careers where things are at their most hectic and unfamiliar.
