Bears paw Area Structure Plan Review

This includes policies that have been approved by Council by Bylaw or Resolution or Policies that have been made by a person or body to whom powers, duties or functions have been delegated by Council or the Chief Administrative Officer ie. As per the Municipal Government Act and the Land Use Bylaw, the County may receive municipal reserve, in the form of land or money, or a combination thereof, for the provision of future services.

County Official Plan

A development permit is not required for gates or fences constructed less than one metre 3 feet in height in front yards and less than 2 metres 6 feet in height in side and rear yards. You must work with a planning firm to establish the process you will undertake to develop your plan.

Area Structure Plans

You need to have an area of land and develop your concept. Larger scale development usually involves a development agreement and may require the developer to deal with issues such as phasing, servicing and quality control.

Building and Land Development Fees

It will be assessed alongside standard permit fees, and building permits will not be issued if this fee is not paid. A Safety Codes Officer may, in writing, extend the term of the permit if the permit has not expired when a written application for extension has been made.

Sturgeon County

Your patience is appreciated as adjustments are made to ensure that services to County residents continue to be provided.

Planning Documents and Policies

Policy DEV004 - Minimum Construction Value for Safety Code Permits This Policy is used to establish guidelines for calculating the minimum

construction value of commercial, industrial, institutional, and residential building projects. Proposals for larger scale development may require that the developer conduct site-specific tests i.
