## A Lamp to Dispel Darkness

When this happens, and you gain some stable familiarity with it, you come to understand how the *śamatha* and *vipaśyanā* that are the primordial stillness of the natural state and the clear light of your own nature have always been inseparable, and the naturally arising wisdom that is the wisdom mind of Dzogpachenpo dawns. The more altruistic those leaders are, the greater the benefit they will bring.

Je croyais que c'Ātait la version originale d'Atisha, ce n'est pas clair dans la description de l'article que c'est juste un commentaire. Translated by Thubten Jinpa, Ph.

## Lamp for the Path to Enlightenment—Second Day

In order to attain enlightenment we must complete the stores of merit and insight, and the best way to do this is by working for others.

## Atisha's Lamp For The Path To Enlightenment

Therefore, they requested His Holiness to visit this year, but again it has not been possible because of the widespread coronavirus pandemic and its associated restrictions. If we wish to achieve anything powerful we must learn to concentrate.
