Structuring Electronic Files

We are currently working on orders received this week, as well as backordered items from suppliers who have also been challenged and sometimes behind on getting inventory to us. It should be noted that many of the older published visitations were based on unofficial copies of the pedigrees, which contain additional material of dubious reliability. If you are working on your personal storage space or email, you may not need to involve anyone else.

Structuring Electronic Files

After the series was transferred to the Archives of Ontario, staff archivists continued to file miscellaneous material within the series. Two officials were appointed to arrange and inventory the archives after office hours.

Heralds' visitations and the College of Arms

Consider file naming conventions to boost recognition and manage version control. Wagner, The Records and Collections of the College of Arms London, 1952 Includes a listing of the visitation books. Public Record Office, London, 1795-1910 ZP.

Indiana Death Index, 1882

From 1934-1989 the Cape Archives occupied the building of the University of South Africa in Queen Victoria Street. Actively take steps to prevent the accumulation of ROT and clutter. From the early 16th century to the late 17th century the heralds carried out visitations, county by county, in order to regulate the use of arms.

Courts martial and desertion in the British Army 17th

In an average office or department, information resides in many places.

The India Office Records

This guide tells you the type of records we hold on courts martial and desertion, and provides you with guidance on how to search for them.

Structuring Electronic Files

Choose Yes please to open the survey in a new browser window or tab, and then complete it when you are ready.

Courts martial and desertion in the British Army 17th

Search your inventory for files that relate to a particular subject or function, result from the same activity, or belong to a particular case or project. This 'new' East India Company was transformed during the second half of the eighteenth century from a mainly commercial body with scattered Asian trading interests into a major territorial power in India with its headquarters at Calcutta.
